The Combo Platter

A quick and easy way to serve your guests ready-made (trust me this is the best route to go) sandwiches that look and taste great! Sandwiches are made with white, wheat, and marble-rye and sourdough breads filled with turkey, deluxe ham, roast beef, our famous tuna salad, homemade chicken salad, sharp cheddar cheese, premium Swiss cheese, picante provolone, green leaf lettuce and tomato.

You may also add wraps to the mix and they are very popular and pleasing to the crowd. We use the same combination of meats and cheeses as above in some very flavorful wraps, such as spinach, whole wheat, jalapeno, and cheddar.

And if you really want to make an impression, we will add some of the specialty sandwiches and wraps off the regular menu.

It's all your choice! Get as creative as you like or leave it to us. We won't let you down!
